

Miranda Stegeman
Partner/Brand Strategist FINAO Agency

Miranda's proactive, get it done approach serves her well in the role of agency owner, account service leader and CAC Friends Board Member. She thrives on creating order and producing strategic and creative products that make her clients shine.

Miranda graduated from the University of Missouri with a Bachelor's degree in Agricultural Journalism with emphasis on Agricultural Economics and Plant Science. Miranda's specializes in strategic brand discovery and development. She has been instrumental in developing the vision and messaging platforms that bring brands to life across multiple B2B and B2C marketplaces including, Healthcare, Industrial Manufacturing, Distilled Spirits, Financial Services, IT, Education and Communications.

“When I joined the board, I was largely unaware of the breadth of services the CAC provides. While none of us like to think about the reality of child abuse in our own community, the CAC is a beacon of light, providing hope and healing to these small victims. They are a true inspiration and a wonderful resource to our community. It's an honor to work with this group and help communicate their mission to the Madison County area.” –Miranda Stegeman
