The August 2016 meeting was to honor the 2016-2017 Madison County CSBG Scholarship recipients. A reception/scholarship ceremony was held prior to the Madison County Board meeting. CSBG Advisory Council Chairman Ms. Amy Meyer began by welcoming and congratulating our Scholarship recipients and their family and friends. She introduced County Board members and CSBG Advisory Council members present. She gave a brief summary the CSBG program and the scholarship process. Ms. Meyer then introduced the scholarship committee: Jennifer Roth, Larry Wise and Polly Curtin.

The Scholarship recipients were presented their certificates by County Board Chairman Alan Dunstan, Grants Committee Chairman Bruce Malone and CSBG Advisory Council Chairman Amy Meyer. Those students attending the Awards Presentation were: Virgil Lockett III and Billy Phan from LCCC; Adeyinka (Yinka) Babatunde from SIUE; and Aimee Pargin, Lauren Pearman, Jacob Rice, Latrina White and Alexis Yarber from SWIC.

Due to the scholarship reception, the advisory council did not meet or conduct business; however Amy Lyerla informed members present that a vote was needed from the board to submit the 2016 CSBG Modification #1 due to increase in funding, the 2016 CSBG Community Action Plan and 2017 CSBG Grant Application because all of these documents are due prior to the next Advisory Council meeting.

Our next advisory council meeting will be held October 17, 2016.
