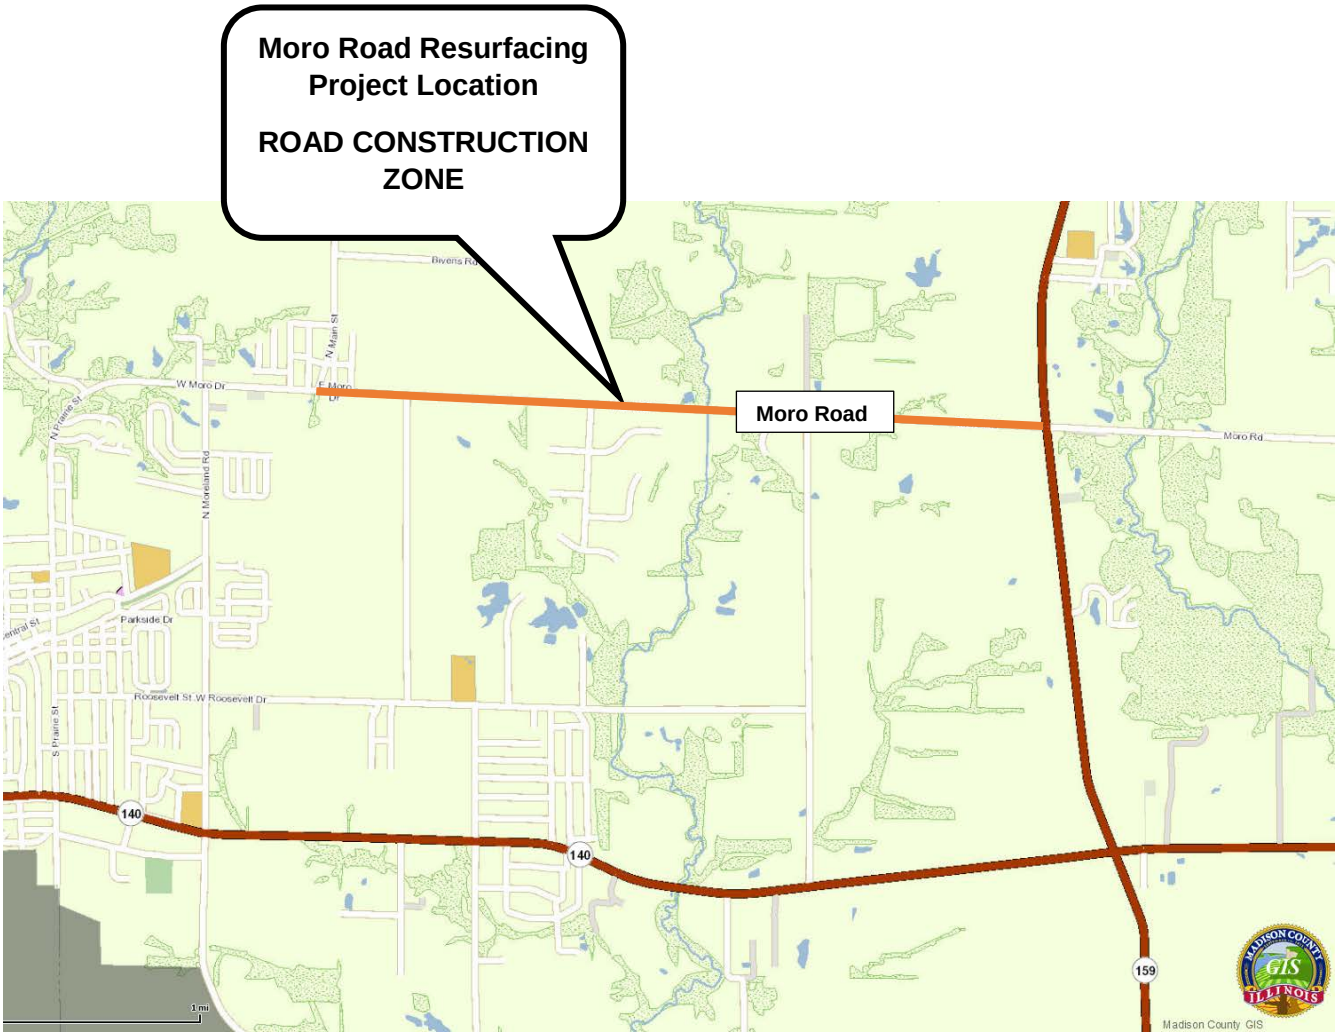
Moro Road Resurfacing

A section of Moro Road is scheduled to be reconstructed beginning on Monday June 11, 2018. The project is located on Moro Road, beginning at North Main Street in Moro and continues to the east for approximately 2.7 miles to its intersection with Illinois Route 159.

During construction, Moro Road will be reduced to one lane. The Road will remain open, with minor delays possible.


The project is anticipated to be completed in August, 2018.
